Location:

Current Degree Level:

Please select the statement which applies to you below.

I am employed in a setting that requires South Carolina Educator Certification.

I am employed in a setting that does not require South Carolina Educator Certification.

Please check below if applicable.

I am submitting Jason Flatt training renewal information (All middle and high school teachers are required to submit the Jason Flatt training certificate for renewal).

INSTRUCTIONS: After completing this form, print this form, attach your supporting documentation for the activities listed in your log, and submit all documents to your designated administrator. The administrator will review and verify your documentation. Both the educator and administrator will sign and date the form in the space designated below. Send the original copy of the signed and completed Annual Professional Growth Log and supporting documentation to the Office of Human Resources, ATTN: Ms. Frances Keller. The PRODEV system is no longer being used to upload your certificate renewal documentation. Your building administrators will verify your documentation at the school level.

Educator's Section

The information provided in this Annual Professional Growth Log is accurate and represents the professional activities that I participated in during this certificate renewal cycle.

Signature of Educator

Date

I have reviewed and verified the documentation provided by the educator in this Annual Professional Growth Log and will keep this documentation on file at the school.
